## Report of Principal and School Improvement Council

Ridge View High School continues to flourish with numerous academic, athletic, fine arts, and co-curricular successes and initiatives. Growing to a population of 1780 students by the end of the year, we expect to exceed over 1945 students during the 2008-2009 school year. Personalization and individualized instruction continue to be the foundation and framework for improvement. Initiatives have been implemented to meet the demands of our diverse and ever-changing population. Others will be implemented in the coming school year. Our philosophy of personalization has allowed us to closely monitor the academic and social progress of the freshmen and sophomore classes. As a result, we continue to see a steady increase in parental involvement, a decrease in disciplinary referrals, and a significantly lower retention rate among our ninth graders (less than 7%).

During the 2007-08 school year, focus areas have continued to include implementation of High Schools That Work practices, career clusters, and professional development addressing reading across the curriculum. Attention to individual student needs included Mastery Algebra and credit retrieval and recovery programs using before and after school tutoring, NOVANET and ALEKS computer systems. As a result student success increased dramatically. Ninety-three percent (93%) of the senior class qualified for graduation. Our development of Small Learning Communities, a personalized scheduling program, and an expanded professional development initiative have contributed to student academic improvements. Thirty-three of our teachers are now nationally Board certified. Our committed faculty has been the catalyst for our students' academic success as we strive to provide a rigorous curriculum in this standard-driven era.

Implementation of the Advisor/Advisee program, ALEKS with personalized connections for rising freshmen, expansion of our academic monitoring system to include juniors and seniors and structuring a one lunch schedule to enable all students to participate in extra-curricular activities were successfully accomplished. Refinement of these initiatives will continue. Two new district magnet programs will begin next year. The Institutes for Bio-medical Health Science and Allied Health Science will become the first of their kind in the district.

Some of this year's accomplishments include: Ridge View's Student Council being recognized as both State and National Honor Council, Dr. Martin being named as Administrator of the Year by the SC Association of Student Councils, receiving a \$250,000 Technology upgrade, an International DECA award winner, an increase in the number of students participating in AP and Dual-Credit courses, top performance by students on End-of-Course Exams, Scholarship awards exceeding \$7.5 million, the Ridge View Baseball team won the Region Championship, 1 student received National recognition from the National Dance Education Organization, 1 student selected as a Robert C. Byrd Scholar, 1 student selected to participate in the Broadway touring company, numerous students won State and National Art awards.

#### No Child Left Behind

#### School Adequate Yearly Progress NO

This school met 17 out of 19 objectives. The objectives included student performance, graduation rate or student attendance, and participation in the state testing program.

Definition: As required by the United States Department of Education, Adequate Yearly Progress specifies that the statewide target is met for "All Students" and for the following subgroups: Racial/Ethnic, Subsidized Meals, Disability, and Limited English Proficiency in the areas of English/Language Arts and Mathematics, as well as meeting the statewide target for "All Students" for attendance or graduation rate.

## School Improvement Status

N/A

School	Improvement Key
NI	Newly Identified-The school missed adequate yearly progress (AYP) for two years. Sanction: Offer school choice.
CSI	Continuing School Improvement-The school missed AYP for three years. Sanctions: Continue school choice and implement supplemental services.
CA	Corrective Action-The school missed AYP for four years. Sanction: Continue school choice and supplemental services. The school district takes a corrective action.
RP	Plan to Restructure-Sanctions: Continue school choice and supplemental services. Develop a plan to restructure. If the school misses AYP the next year, the school implements the restructuring plan.
R	Restructure-The school missed AYP after two years of corrective action. Sanction: Implement the restructuring plan.
DELAY	The school met AYP in all subgroups and the indicator for one year, thus the delay provision applies. The school remains in the same status as last year and is referred to as in "Delay."
HOLD	The school made progress for one year in the subject area that identified the school for school improvement. The school remains in the same status as last year and is referred to as in "Hold."
